February 2020 Edition

My Sisters and Brothers in Christ,

Despite the dearth of daylight in this season after the Epiphany of our Lord, this is an eventful time of the year. We've just completed our annual parish meeting, and now we're in the throws of final preparations for our Off the Beaten Path workshop: "From Conflict to Opportunity" with the Rev. Sarah Shofstall. Then, on Sunday morning, we'll mark the Presentation of Our Lord in the Temple, followed that evening by Super Bowl LIV. And that's just the first two days of the month!

The rest of the month, liturgically speaking, will have its ups and downs. There will be glimpses of the kingdom of heaven coming near over two weeks in teachings from the Sermon on the Mount on the way to a mountaintop crescendo in the dazzling light of the Transfiguration, from which we will plunge to the burial of "Alleluia" the following week and into the beginning of Lent as marked by Ash Wednesday on February 26th.

There is a lot to take in amid the timbre and tempo of this frenetic transition; but it reminds me of the tugs and tussle of our daily lives as we experience highs and lows, conflict and opportunity. Still the persistent and present reminder we enjoy in our faith is that we are never alone, even as our complexion is blemished with a smudge of ash as we are reminded "you are dust, and to dust you shall return."

Hopefully this reminder that we are never alone will kindle within us a light of reflection where we can contemplate the quality of our living and consider those resolutions we might make toward a more abundant and resurrected life.

Speaking of abundance, if you have dried palms and palm crosses that you would like to repurpose, please bring them to church so they can be reduced to ash as a collective reminder that even our blemished and broken selves are not beyond the redemptive, resurrected and abundant life of Jesus Christ.

Yours in Christ's Abundant Life,

Building a People who Love, Learn & Serve in Christ's Name!

SENIOR WARDEN'S ANNUAL REPORT

2019 produced some striking examples of what happens when a parish loves, learns, and serves in Christ's name. The arrival of Father Foster and Linda Mays was the most exciting and uplifting example. Their presence shines a bright light not only on St. Michael's, but the Toledo area as a whole. Other, highly visible examples include the new driveway, parking lot, and lights; the standing room only, Off the Beaten Path performances; the new playground and the rummage sale. But, our Parish members' steady presence at Sunday services and tireless devotion to the many ministries, committees, and services, forming the backbone of St. Michael's, best exemplifies loving, learning, and serving in Christ's name. So, thank you fellow parishioners for your ongoing dedication.

2019 also, once again, demonstrated how critical the St. Michael's staff is to our operation and future. On this front, we are blessed to have Director of Music – Justin Bays; Director of Children's, Youth & Family Ministry – Imani Driskell; Organist – Rebecca Park; Sextons – Diane Reeves & Lisa Watson; Administrative Assistants – Michelle Knecht & Kim Schrinel; and Financial Administrator – Gretchen Rohm. Thank you for your dedication and openness to change as we move forward.

Last, thank you to Treasurer, John Graham, and fellow Vestry members: Jaymie Fontana, Julie Hagenbuch, Jeff Smith, David Braun, Julia Burtscher, James Carlisle, Barb Malkoski, Nancy Elzinga, Kay Gerhardinger, Eboné Waweru, and Dani Zoorob. While we worked faithfully in 2019, much of our work remains unfinished, so I wish the new Vestry Godspeed, knowing that loving, learning, and serving in Christ's name is the best guidepost.

David O'Connell, Senior Warden

THE WAY OF LOVE

"The Way of Love" has become a mantra of Michael B. Curry's episcopate as presiding bishop of the Episcopal Church. From the royal wedding to the 79th General Convention of the Episcopal Church and continuing today, all ages have been inspired and eager to "grow more deeply with Jesus Christ at the center of our lives, so we can bear witness to his way of love in and for the world."

The Very Best Day: The Way of Love for Children introduces the practices for a Jesus-centered life for children ages 3–10 and their families. Through accessible language and age-appropriate themes, it specifically addresses children and the importance of rhythm and practice in their lives as Christians, accompanied by Roger Hutchison's familiar and vibrant artwork. Through a cadence of words and colorful images, children will see how to Turn, Learn, Pray, Worship, Bless, Go, and Rest in daily life as a follower of Jesus. Acquiring such wisdom at an early age will benefit children (and the adults who love them) to learn these practices for a lifetime.

You will soon be able to find this book in our Sunday School Library!

GETTING TO KNOW YOU... THE SENIOR CHOIR!

We will be introducing you to our Senior Choir members and sharing about a new member each month. This month we would love to introduce you to **Julia Burtscher**.

Justin Bays, Music Director

* * *

Julia has been with St. Michael's about 11 years. Her family joined when she was 12 and she stayed until the age of 18, then rejoined St. Michael's when she moved back to Toledo in 2014.

Julia started singing at the age of 8 when she joined St. Mark's youth Choir.

Julia chose to join St. Michael's Senior Choir because when she moved back to Toledo after living in other cities for 24 years she wanted to reconnect at St. Michael's. She had sung in the adult choir in junior high so it made sense to rejoin. Plus, Julia needed some musical culture in her life, and this was the way to start!

Julia listens to pop music. She's not proud of it, but is an absolute junkie for it. She also loves solo horn music, and classical symphonies, especially Beethoven and most Russian composers. She loves Post Modern Jukebox, too. It really depends on her mood. Additionally, she can't pick a favorite band or performer.

Julia has two felines as kids that are very spoiled and hilarious.

Julia is a program manager for GE Transportation — a Wabtec Company where she implements and supports software related to railroad operations; she is also the executive director of a non-profit organization, the International Horn Society.

When it comes to hobbies outside of singing, Julia is an avid quilter, cross-stitcher, and she plays her horn whenever possible. She plays horn with BGSU Horn Club which meets weekly and Natural Horns of Northwest Ohio club which meets sporadically.

Each episode features teachings on Episcopal evangelism, class discussions and prompts, and exercises to help Episcopalians understand the ministry and call to evangelism.

The full *Embracing Evangelism* series consists of six videos, each of which includes participant and facilitator guides. The series works equally well as a daylong intensive course or a season's worth of adult education offerings.

Embracing Evangelism will be available for download in its entirety in Spring 2020. More information can be found at: episcopalchurch.org/embracingevangelism

Absalom Jones

Founder of the African Episcopal Church of St. Thomas

The life and legacy of The Reverend Absalom Jones is a testament to the resilience of the human spirit, his faith, and his commitment to the causes of freedom, justice and self-determination. Absalom Jones was born into slavery in Sussex County, Delaware on November 6, 1746. During the 72 years of his life, he grew to become one of the foremost leaders among persons of African descent during the post-revolutionary period. In his younger years in Delaware, Absalom sought help to learn to read. When he was 16, his owner Benjamin Wynkoop brought him to

Philadelphia where he served as a clerk and handyman in a retail store. He was able to work for himself in the evenings and keep his earnings. In 1770, he married Mary Thomas and purchased her freedom. It was until 1784 that he obtained his own freedom through manumission.

During this period, he met Richard Allen, who became a life-long friend. In 1787 they organized the Free African Society as a social, political and humanitarian organization helping widows and orphans and assisting in sick relief and burial expenses. Jones and Allen were also lay preachers at St. George's Methodist Episcopal Church, Philadelphia, PA where their evangelistic efforts met with great success and their congregation multiplied ten-fold. As a result, racial tensions flared and ultimately they led an historic walk out from St. George's.

In 1792, under the dual leadership of Absalom Jones and Richard Allen, "The African Church" was organized as a direct outgrowth of the Free African Society. Both Jones and Allen wished to affiliate with the Methodists, but the majority of the congregation favored the Episcopal Church. Richard Allen withdrew with a part of the congregation to found Bethel Church (later, Mother Bethel African Methodist Episcopal Church). The African Church became The African Episcopal Church of St. Thomas with Absalom Jones as its Lay Reader and Deacon. In 1802, Jones was ordained by Bishop William White as the first African American Episcopal Priest. In 1797 and 1799 Absalom Jones, with other free Africans, presented tenable petitions to Congress and to the President of the United States opposing slavery. Two schools and supportive services for the Black community developed under his leadership.

Absalom Jones died on February 13, 1818 at his residence, 32 Powell Street, Philadelphia, PA. The February 13th Absalom Jones Feast Day was added to the Episcopal Church Calendar in 1973.
